

About Erin's Angels

My first "Erin Angels" were made with Irish Fabric for family and friends in memory of my daughter Erin. Everyone loved them and I was soon inspired to expand my collection. Every angel is unique in its own special way and I now make them for Seasons, Holidays, Special Occasions, Hobbies/Interests, and Professions. I can also make special order angels for your customers. Examples of special orders are bridesmaid angels for weddings, personalized birthday angels, and just about anything else I can find suitable fabric and accessories for.

The angels are 5" tall and have grapevine wings. Fabrics and halos will vary with each "Erin Angel" to make them truly unique and one of a kind. Fabric samples are available for you to choose from or you can view them on the www.erinsangels.com website. Four hair colors are available: blonde, brown, red and black.

Each Angel is made with special care and love.

Angels ordered in quantities of 12 or more are \$6.00 each plus shipping. Quantities under 12 are \$8.00 each plus shipping. Special order pricing may be slightly higher depending on the request.
